The Pearl Thief, NEW - 5/2/17, Hardcover \$18.99

Before *Verity* . . . there was Julie. When fifteen-year-old Julia Beaufort-Stuart wakes up in the hospital, she knows the lazy summer break she'd imagined won't be exactly what she anticipated. And once she returns to her grandfather's estate, a bit banged up but alive, she begins to realize that her injury might not have been an accident. One of her family's employees is missing, and he disappeared on the very same day she landed in the hospital.

Desperate to figure out what happened, she befriends Euan McEwen, the Scottish Traveller boy who found her when she was injured, and his standoffish sister, Ellen. As Julie grows closer to this family, she witnesses firsthand some of the prejudices they've grown used to—a stark contrast to her own upbringing—and finds herself exploring thrilling new experiences that have nothing to do with a missing-person investigation. Her memory of that day returns to her in pieces, and when a body is discovered, her new friends are caught in the crosshairs of long-held biases about Travellers. Julie must get to the bottom of the mystery in order to keep them from being framed for the crime.

This exhilarating coming-of-age story, a prequel to the Printz Honor Book *Code Name Verity*, returns to a beloved character just before she first takes flight.

Black Dove, White Raven Paperback \$9.99

Emilia's and Teo's lives changed in a fiery, terrifying instant when a bird strike brought down the plane their stunt-pilot mothers were flying. Teo's mother died immediately, but Em's survived, determined to raise Teo according to his late mother's wishes—in a place where he won't be discriminated against because of the color of his skin. But in 1930s America, a white woman raising a black adoptive son alongside a white daughter is too often seen as a threat.

Seeking a home where her children won't be held back by ethnicity or gender, Rhoda brings Em and Teo to Ethiopia, and all three fall in love with the beautiful, peaceful country. But that peace is shattered by the threat of war with Italy, and teenage Em and Teo are drawn into the conflict. Will their devotion to their country, its culture and people, and each other be their downfall...or their salvation?
